

The Essentials Range

FEATURES

Clean, architectural lines that create a refined and sophisticated contemporary bedroom look, complemented by black metal handles.

Exceptionally durable melamine surfaces engineered to resist heat and moisture while offering effortless maintenance.

Solid 18mm construction throughout for strength, durability, and long-lasting performance.

Smooth, well-finished tops with softly rounded corners for a modern look and added practicality.

Robust internal construction designed to provide reliable everyday storage.

A high-end aesthetic at an accessible price point, delivering modern luxury without the premium cost.

Peace of mind with a 3 year guarantee.
